How to Use This Book

You can draw any of the characters in this book by following these simple steps.

First draw the basic shapes, using light lines that will be easy to erase.

Each new step is shown in blue, so you'll always know what to draw next.

Take your time and copy the blue lines, adding detail.

Darken the lines you want to keep, and erase the rest.

Add color to your drawing with colored pencils, markers, paints, or crayons!

Cinderella

Though Cinderella lives a life of servitude, she greets each day full of hope that her destiny will change. She imagines how wonderful it would be to fall in love with a handsome prince who would treat her with kindness. Thanks to her Fairy Godmother, that day may come sooner than she thinks. Meanwhile, Cinderella never stops believing in her dreams.
